Attention: Initial Patent Examination's Customer Service Center

Sir:

Applicant hereby requests that the PTO correct errors in a Filing Receipt. Specifically, the Filing Receipt incorrectly states that Application No. 08/789,934 is a provisional application, despite the fact that it is a regular application of which the priority is claimed under 35 U.S.C. 120 in the Declaration previously filed.

In addition, the Filing Receipt incorrectly states that the number of total claims pending is ten (10), despite the fact that it is thirty-one (31) as communicated in the Transmittal Letter previously submitted.

Michael L. Obradovich
